

# The Great Canadian Appathon

[GreatCanadianAppathon.com](http://GreatCanadianAppathon.com)

The Great Canadian Appathon is a chance for post-secondary students across Canada to showcase their skills in developing great games. Students can get together in teams of up to 4 people to hack their game together for 48 hours.

The event is presented by XMG Studio and the National post. The Prizes are being sponsored by TELUS and the finale event is being sponsored by KPMG.

There are over \$45,000 in prizes, so get your teams together to KICK SOME CANADIAN APPS!

**March 11th - 13th**  
**Begins at 5:00 pm on March 11th.**  
**Remote location or University of Waterloo**
