

# ACM-ICPC Tryouts

We invite you to tryout for a spot on the Brock ACM-ICPC team!

The ICPC fosters creativity and teamwork in building new software programs, and enables students to test their ability to perform under pressure. It is the oldest, largest, and most prestigious programming contest in the world.

The annual event is comprised of several levels of competition:  
**local contests**, **regional contests**, and **world finals**.

Programming language options are *C*, *C++*, and *Java*.  
Programming experience is strongly recommended but not required.

Hardcopy reference materials are allowed (anything on paper).  
Digital references are *not* allowed (internet, physical calculators, ebooks, etc.)

For more information about the ICPC, visit <http://cm.baylor.edu>  
For practice problems, visit <http://uva.onlinejudge.org>

**Local Contest**  
**Friday, 21 September @ 5:00 - 8:00 PM**  
**MCD205, Brock University**
