

PC LAN Gaming *by* Computer Science Club

Finally a LAN!

We have been given permission to have a LAN using the computer labs. Games such as *Wolfenstein: Enemy Territory* and other free games will be played. All games will be provided.

This is a **FREE** event and anyone is welcome. The CSC will be open for snacks and drinks as usual.

Friday, March 25
6:00 PM
MCJ310 (Computer Lab)

See you there!
